The marshmallow challenge
Nathan assures me a cube has 8 vertices. The Infants have done a super job learning about 3D shapes this week.

ASSESSMENTS

The children have been undergoing assessments in reading, writing and maths this week. This has given teachers a clear understanding of the children's learning and will help them plan the next steps.

Collective Worship

Last week, we looked at 'Living Well with Others'. This week, we explore the theme 'Gratitude'.

Test and Trace

If your child tests positive for Covid-19 during the first 6 days of the Easter break, please contact Mrs Stibbon: 07825 104854

From Friday 2nd April, positive tests must be reported using the NHS Test and Trace website.

Polite Reminder

Infants - please keep your Infant children with you when arriving in the mornings and do not let them run around the cars in the car park. Thank you.
