PM whole school Ten Step

FRIDAY

Library day

Stef Judd guitar and drum tuition - PLEASE REMEMBER YOUR EQUIPMENT.

School closes at 3.15 for half term

School re-opens at 8.40am on Monday 7th June

Collective Worship

This week, we looked at 'Prayer' and next week we focus on 'Hope'. We reflect on our value **COURAGE** that we have focused on this term.

This Week

Special Mentions:

INFANTS: Nathan - Writing, writing, writing, all the time! Well done.

Edward - improvement in reading.

JUNIORS:

Thomas for contributing interesting thoughts and ideas in many lessons this week.

All Y3 & Y4 for brilliant Gorilla leaflets!

The Infants continue with their theme: Food Glorious Food and made the most delicious banana smoothies. Not only can I assure you they were delicious; we can also tell you they were extremely healthy. We did think they would make an excellent treat if we added some ice-cream!

Having watched him transform from a caterpillar to a moth, we said goodbye to Martin moth this week as we released him into the wild. He flew happily away after hatching last weekend. We wish him well!

Year 3 and 4 have been finding out everything there is to know about gorillas. Did you know there are four sub-species of gorilla? Do you know what gorillas eat? Read Year 3 and 4's leaflets to find out all you need to know.

The upper juniors have been introduced to Shakespeare and are enjoying the Scottish Play. There have been lots of questions and observations about the characters and understanding the times when Macbeth was first performed.

World Bee Day: Thursday 20th May 2021

We need bees. We may take them and other pollinators for granted but they're a vital part in the chain to help us maintain a stable, healthy food supply. By moving pollen between flowering plants, bees are perfectly adapted to help plants grow, breed and produce food. The vast majority of plants we need for food rely on pollination, especially by bees. But bees are in trouble. There's growing concern at bee decline across the world. More than ever before, we need to recognise the importance of bees to nature and to our lives, and we need to turn that into action to ensure they don't just survive but thrive.

At school, we planted wildflower seeds to try and help make a difference. Perhaps you would like to do the same at home?

THE HARPLEY KIND

We are very lucky to have so many children bring a ray of sunshine to all our lives. Harpley Kind Award, nominated by Mrs Fisher goes to: Karyss for her kind communication and sensitive awareness of others. Karyss is a role model!

DATES FOR YOUR DIARY

Sports Day: Tuesday 22nd June at 1.30pm

[Reserve Sports Day: Tuesday 29th June]

Very warm wishes,

The Harpley Team
