Collective Worship

This week, we looked at 'God's Kingdom' and our Value for Life: WISDOM. Next week, we focus on 'Trust in God'. This term we will be appointing Value Leaders to promote our Christian ethos and values.

This Week

Yr R have been doing some fact reading and writing this week. They have focused on Mrs West's favourite animal. I wonder if they can tell you which animal is her favourite. They have also been busy in the garden. Our outside area is looking really good!

Yr 1 and 2 have been writing instructions this week. Well done to those children who have already had a look for some instructions at home and had a go at using them to make or do something. Some children have brought in toys they have made using instructions, or emailed pictures of themselves learning a new game. Instructions can be pretty useful!

We have also been on a virtual visit to Africa to find out what animals live there. Ask the children to name some.

Y3 and Y4 learnt about right angles, obtuse and acute angles. They used sticks to make angles.

The children have been enjoying performing Michael Rosen poetry. They are recognising how the rhythm is important in performance. It is wonderful seeing the children inspired by poetry!

School Music Service

With the summer holidays fast approaching we are promoting some exciting free music opportunities that we have on offer to young people across Norfolk to keep them busy and making music over the long summer break.

To support the school PFA will be putting a table in the playground before the end of each term with second hand school uniform.

If you would like to donate uniform, in good condition, that you don't need any more the PFA will sell it for small amounts. School will also put all items from lost property on the table, so be sure to check if you are missing anything before it's sold!

If you can donate any items please can we have them next week?

If items are unsold they will be disposed of in our clothes bank.

THE HARPLEY KIND

We are very lucky to have so many children and adults who bring a ray of sunshine to all our lives. The Harpley kind garden is really beginning to take shape now. Many thanks for all the donations!
