COLLECTIVE WORSHIP

This week, we looked at 'Trust in God' and our Value for Life: WISDOM. Next week, we focus on 'God is Here'.

This Week

INFANTS

With a special focus on PE this week as we prepare for sports day, the Infant children had a smashing tennis session with Mrs Stephens on Tuesday. The children learned about the ready position and showed increasing control with the racket and ball. Well done Infants!

Yr R have been extremely busy in the garden area. They have been enjoying using the outside space to enhance their learning. They loved playing hide and seek with Teddy and practicing using positional language. Why not have a game at home and ask the children to describe where Ted is hiding!

Yr 1 and 2 received a rather mysterious letter from a penguin named Flapjack! He has asked them to find out penguin facts to teach the Juniors all about penguins. Watch this space because I imagine some great non-fiction writing will be happening over the next week or so! This week we are visiting Antarctica (what a coincidence!) and finding out about the animals that live there.

Year 5 & 6 enjoyed their virtual meeting with an electrical engineer from Transport for London. The children asked a range of brilliant questions including, 'How many volts does it take to run a tube train?' 'What is it like at university?' It was a thoroughly inspiring session.

Year 6 have been setting the standard as they modelled the obstacle race in preparation for sports day, we look forward to seeing those of you who can make it on Tuesday.

CRICKET TOURNAMENT

The Juniors enjoyed participating in the cricket tournament on Monday with Great Massingham and Blenheim's teams. All children displayed true sportsmanship and played exceptionally well, classic catches and big hits wowed the onlookers. We were delighted to win with a mammoth 107 points, closely followed by Great Massingham with a neat 100 points. Cheers to all the teams and thanks to the Blenheim Academy for hosting the event.

A huge thank you to all the **Piggot family** for coming into school last weekend to put up the basket ball net for the children to enjoy, it really is hugely appreciated and will be used for many years to come!
