VALUE LEADERS

We are delighted to announce our Value Leaders this term. Congratulations to: **Annabelle, Jess, Karyss, Lacey, Nelson and Oliver**. The VLs got off to a flying start in their first meeting with Mrs Stephens. The children had fabulous ideas for how to promote our vision and values throughout the school and community and are eager to help make our school and our world a better place. They have already become role models in living out our vision.

Week beginning 20th September 2021

This week's learning highlights:

INFANTS We have had another busy week. Congratulations to all the children who did really well in their spelling quizzes this week I could tell that you've all been practicing at home. Well done!

Yr R have been continuing their learning "All about themselves" and have also been practicing writing their names this week (even in shaving foam). They are getting very good. They have also been learning our class rules and how to work and share with their friends. They were all stars at their 1st Lynsport session.

Year 1 and 2 have been continuing to learn about the Earth and the sun. Ask them to tell you some facts. They have also been learning to name the seven continents of the world. Please see our topic mat which will show you what else we will be Learning about over the next few weeks.

JUNIORS

Trip to West Stow Anglo-Saxon Village

The juniors joined forces with Great Massingham juniors to become 21st century investigators into the Anglo-Saxons. They explored various buildings that have been reconstructed based on archaeological discoveries and noticed how historians have changed their ideas following their experiments with these buildings. They further used their detective skills in the museum and looked at different artefacts to work out what they tell us about life in Anglo-Saxon times. The education officer, Stephanie, commented on the high quality of the questions that all the children asked.

COLLECTIVE WORSHIP

This week we thought about A Gift From God and continue to explore our Value for Life: CREATIVITY. Next week we explore the theme Creator God and the wonder of us.

THE HARPLEY KIND

Harpley kind were unable to meet this week due to Mrs Fisher and the KS2 class being on the trip to West Stow. They are looking forward to meeting next week.
