Would anyone be interested in homing a cat. He was adopted a few months ago but as lovely as he is with humans, he's horrid to the other cat in the household. He's a 9 year old male neutered British shorthair ex stud cat called Max. He's adorable but does need to be the only cat in the household.

COVID 19

We continue to review our COVID safety measures to ensure the health and safety of our students, staff and wider community. We feel it is a sensible step to keep all siblings at home for the full isolation period when another person in the home has a confirmed PCR test, which of course would be an authorised absence. Please be aware that this is simply a recommendation, although we hope you will support it. Please contact us should you have any questions.

With thanks for your continued support.

With warm wishes for a lovely Christmas and look forward to seeing you in the New Year.

The Harpley Team.
